Support

*No further comment*

**Q 6. Continuing funding for independent tenant advisory services.**

Support –

*'We assure you that we support the development of fair tenancy agreements and funding of independent tenant advisory services continues'*

**Any other initiatives?**

KAP's response indicates the following:

'We are committed to pursuing policy outcomes that align with our core values including equality of opportunity and equality before the law. Our support for any legislative changes in the parliament is driven by consistency with these and other core principles.

We would be very pleased to consider any specific changes to legislation in the 56th Parliament that addresses Tenants Queensland's core principles.'
