INTERNATIONAL TENANTS' DAY 2020

Competition for all Queensland Tenants

International Tenants' Day (ITD) is celebrated on the first Monday of October every year. ITD began in 1986 as a special day to celebrate tenants and raise awareness of all tenants across the world.

2020 has been a challenging year for us all, but these difficult times have been especially hard for those individuals and families renting.

This year Tenants Queensland invites every tenant renting in Queensland to take part in our ITD Competition.

We want to know your story: tell us about your renting experience and why renting matters to you.

Share your 2020 renting journey with us through photography, artwork, poetry or a short story.

Celebrate ITD by sharing your renting experiences with us, and help raise the awareness and value of tenants everywhere.

Please send us your entry, in your preferred format by **October 1**

You can enter by:

- 1 Emailing or mailing your photo, poem, story or artwork to Tenants Queensland via mail@tenantsqld.org.au or 1/87 Wickham Terrace, Spring Hill 4000 - **You can also send us a photo of your artwork via email or post to our office.**
- 2 When you send your entry make sure it contains the competition eligibility information, your name, preferred contact details and where you are renting in Queensland.
- 3 You can also share with us your photos, stories, poems and digital images of your artwork on the Tenants Queensland Facebook page. <https://www.facebook.com/tenantsqld/>
