

Tenants Queensland

Tenants Queensland (TQ) is a statewide community organisation. Tenants Queensland provides free advice and support services for tenants and represents the interests of residential tenants in Queensland.

Tenants Queensland:

- aims to improve and protect the rights of all people who rent their home, including boarding house and caravan park residents.
- provides free advice and advocacy support for tenants and residents. Call the TQ statewide advice service on **1300 744 263**;
- represents tenants' views and concerns to government, industry groups and the media; and
- campaigns for better tenancy laws and improved housing conditions for all tenants.

Tenants Queensland is committed to addressing the inequities that exist between tenants and lessors. To tenants, our houses are our homes, but to a landlord they are simply an investment.

Our success depends on the continued support and resourcing of members.
